Directions & Parking

The UConn Brain Imaging Center is located in the David C. Phillips Communication Sciences Building (PCSB). Our address is 850 Bolton Road, Unit 1271, Storrs CT 06269. **Please note: At this time GPS navigation is not reliable. We recommend using Google Maps and entering the Nayden Rehabilitation Clinic as your destination.** Our main phone number is 860-486-3108. Two dedicated parking spaces are available for visitors in the circular lot of the David C. Phillips Communication Sciences Building (see map.pdf). Park in one of the spaces marked 'Reserved – BIRC Visitors Only'. If the reserved spots are full, park in any available spot and we will provide you with a parking pass.

From Route 32: Turn onto Route 275 East (South Eagleville Road.) Turn LEFT onto Westwood Road, and bear left onto Hillside Circle. At first stop sign, turn LEFT onto Hillside Circle. At next stop sign, turn RIGHT onto Bolton Road. Take the third LEFT into the parking lot, and then your second LEFT into the circular parking lot. Park in one of the reserved spaces.

From Route 195: Turn onto Bolton Road (between E.O. Smith and the School of Fine Arts.) Take your second RIGHT into the parking lot, and then your second LEFT into the circular parking lot. Park in one of the reserved spaces.
